Dear Ms. Sugarman,

Donovan for Congress has very firm, written procedures in place for 48 hour notification filings. Through our compliance firm, the Committee provides multiple notifications of the 48 hour requirements to all fundraisers, agents, and staff of the Committee, both prior to and repeatedly during the 48 hour filing period. All relevant parties provide documentation and verify all contributions and provide them to our compliance firm for filing. All contributions are further sent overnight to the compliance firm to physically verify and deposit.

The inkind contribution received from Michael Mardini on 6/17/2016 was not disclosed on a 48hr notification because the donor did not notify the committee of the inkind contribution until 7/15, well after the 48hr notification period ended. Given that inkind contributions are required to be reported the date the goods and services are rendered, rather than the date of receipt or notification to the campaign, this inkind caused the campaign to appear to have missed this on 48hr filings.

The campaign is very serious about following the law and proper procedures and has always acted in good faith to adhere to Federal election regulations.

Please let us know if you have any questions.

Sincerely,  
Steven G. Martin  
Treasurer  
Donovan for Congress
